

Blue Skies for Afrikans

Renowned author Paul Ifayomi Grant has had his second work published by Navig8or press.

This powerful book entitled *Blue Skies for Afrikans* is written from an Afrikan British perspective and asks where our Afrikan social warriors are and how can we rebuild the spirit of self-help and reconstruction?

Tackling heavy issues of the oppression of Afrikan people, with a focus on cultivating leadership qualities, the author seeks to help the reader to understand the necessity to make a choice, to stand for Afrikan liberation by building effective intra-racial relationships as the central basis for progressive emotional, political, economic, legal, spiritual, physical empowerment.
